

Group ERP for Teens with OCD

An in-person therapy group for teens with OCD. The group will meet weekly to engage in exposure and response prevention (ERP) and receive support for OCD and related concerns.

Led by Dr. Devika Basu

WHO:

Teens (13 through 17) with diagnosed OCD who are looking for additional treatment and support

WHEN:

Tuesdays from 5:00-6:30pm for 8 weeks from August 29 to October 17 (including one parent session)

WHERE:

At the Anxiety Specialists of Atlanta offices, 1360 Center Dr, Dunwoody, GA 30338

COST:

\$90 per session for the 8 weeks for a total of \$720
